RE: Trans National Communications International, Inc: Regulation Docket 103-607

Dear Ms. Judy M. Matthews:

Trans National Communications International, Inc (TNCI) was notified on June 25<sup>th</sup>, 2012 that our certificate of authority to provide local exchange services in the state of South Carolina is in jeopardy of being revoked. TNCI is submitting this letter as official testimony that it does not provide any local exchange services to residential customers in the state of South Carolina.

TNCI respectfully requests that it be granted a waiver of the requirements to file a bond with the South Carolina Commission pursuant to 26 S.C. Code Ann. Regs 103-607 (Supp. 2011), as subject to the Commission's jurisdiction providing residential local exchange services.

TNCI pledges that it is in compliance with all decisions, directions, rules and regulations made or prescribed by the South Carolina Commission.

TNCI asks that this letter be entered as rule to show cause as to why our Certificate of Public Convenience and Necessity as a provider of Telecommunications Services in the State of South Carolina should not be revoked.

If you have any further questions or require additional information please feel free to contact me directly at (617) 369-1059.

Sincerely,
